

NOVEMBER 2024

Engaging in Ministry will ultimately bring you into interpersonal conflict at some point. It is the nature of fallen humanity. That is a place where I am at right now. In interpersonal conflict with a leader in the church. It is easy to get sidetracked. It is easy to feel like I have to win the argument, or make my point known. The fact is, we only need to be obedient to Christ. In all things, we need to fix our eyes on Christ, as it is He who rules the day. It is Christ who wins the battles. It is Christ who sits on the throne. It is Christ who will humble us if we need to be humble, vindicate us if we need to be vindicated, and protect us in all circumstance. We need to remember that we are in a battle with the spiritual powers about us, not the people about us. It is a war we can only wage through obedience to Christ.

PRAYER FOR NOVEMBER:

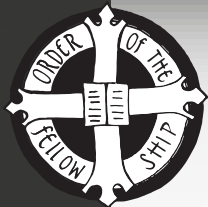

Lord, allow me to see your image in those around me. Allow me to seek first the Kingdom of God, and not my own. Allow me to see your glory go before me, and beside me, and protect me from behind. May I be obedient to your will in all things.

PRAYER PRACTICE:

Pray for those you disagree with. Pray for their well being and for their spiritual well-being. Bring them before the throne of God in love, and allow Christ to work in you, and in them.

FASTING PRACTICE:

Choose to set one day aside this month to just be thankful and be present. Put down electronics and immerse yourself in the creation around you. Choose to intentionally spend time drawing or sketching something, paying attention to detail. Perhaps even try to paint it. The purpose is simply to immerse yourself in your surroundings and be present.
